

The Procurement and Delivery Process:

Step 1: PPE Group and the Buyer define the Buyer's requirements:

- a. Type of PPE required.
- b. Time line for delivery.
- c. Required quantity.
- d. Terms of procurement and delivery. PPE Group delivers all orders Cost, Insurance, and Freight ("CIF") to the buyer's designated port of entry.
- e. PPE Group and Buyer come to an agreement on pricing CIF pending final confirmation based on items A - D above and availability of transportation.
- f. PPE Group and Buyer come to an agreement on payment terms.
NOTE: PPE Group has the ability to finance based on letters of credit ("LC").

Step 2:

- a. PPE Group and Buyer if appropriate execute a Non-Disclosure and Non-Circumvention agreement.
- b. PPE Group provides all product data sheets, and technical specifications as required.
- c. PPE GROUP and Buyer execute a sale and delivery agreement / contract.

Step 3:

- a. PPE Group provides regular updates at to order status and delivery via electronic email or secure website.
- b. PPE Group and Buyer coordinate the details of the CIF delivery at the port of entry to the Buyer's designated logistics provider or in-house logistics team.
- c. PPE Group provides alerts to Buyer so Buyer is prepared to receive shipments.

General Information:

- The PPE Group procurement process normally takes 24-48 hours.
- The PPE Group delivered CIF price is inclusive of transportation, cost of goods, freight and all fees.
- All PPE Group procured and delivered PPE is properly certified and approved by the appropriate certifying agencies of the United States and European Union.
- All PPE Group PPE product pricing follows generally accepted US Government General Services Administration (GSA) pricing guidelines.
- Generally, from the time of order placement, confirmation and lodgment of the Letter of credit or other payment terms, CIF delivery is accomplished in:
 - 10-14 business days for air lift
 - 15-30 business days for sea lift

Medical Personal Protection Equipment Offered CIF by PPE Group

(See Appendix A for a complete description of each item.)

- **3PLY Medical Mask**
- **3PLY Surgical Mask**
- **KN95 Mask**
- **FFP2 Mask**
- **N95 NIOSH Mask**
- **Nitrile Gloves**
- **Disposable Gowns (Level 1)**
- **Disposable Gowns (Level 2)**
- **Disposable Gowns (Level 3)**
- **Isolation Gown (Level 3)**
- **Coveralls Medical**
- **IR ThermometerPCR Test Kit**
- **Antibody Test Kit**

**APPENDIX A
MEDICAL PERSONAL PROTECTION EQUIPMENT ("PPE")
DESCRIPTIONS**

Item: NITRILE GLOVES HS CODE: 40151900	
Application	Medical Examination Rubber Gloves GNB30 MATIG, Powder Free
Technical Specifications	Sizes: S, M, L, XL Package: 100 pcs/box 10 boxes / carton
Standard	CE, FDA
Certification	CE, FDA
Capacity	4 million per week
MOQ	1 million pieces or 500,000 pairs
Price FOB (Free On Board)	Upon Request
Cost, Insurance, & Freight (CIF)/Sea	Upon Request
Cost, Insurance, & Freight (CIF)/Air	Upon Request

**APPENDIX A
MEDICAL PERSONAL PROTECTION EQUIPMENT ("PPE")
DESCRIPTIONS**

Item: 3PLY MEDICAL MASK	
Application	Civilian & Medical
Type	ASTM Level 1 / Type II
Standard	EN 14683
Certification	FDA & CE
Capacity	150 million per month
MOQ	500,000
Price	
FOB (Free On Board)	Upon Request
Cost, Insurance, & Freight (CIF)/Sea	Upon Request
Cost, Insurance, & Freight (CIF)/Air	Upon Request

Item: 3PLY SURGICAL MASK	
Application	Civilian & Medical
Type	ASTM Level 1 / Type II
Standard	EN 14683
Certification	FDA & CE
Capacity	150 million per month
MOQ	500,000
Price	
FOB (Free On Board)	Upon Request
Cost, Insurance, & Freight (CIF)/Sea	Upon Request
Cost, Insurance, & Freight (CIF)/Air	Upon Request

Item: KN95 RESPIRATOR Equivalent to N95/FFP2	
Application	Civilian
Type	GB2626-2006
Standard	EN 149:2001 + A1 2009
Certification	FDA & CDC Appendix A
Capacity	20 million per month
MOQ	500,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: KN95 RESPIRATOR Equivalent to N95/FFP2	
Application	Civilian
Type	GB2626-2006
Standard	EN 149:2001 + A1 2009
Certification	CE
Capacity	40 million per month
MOQ	500,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: FFP2 RESPIRATOR Equivalent to KN95 / N95	
Application	Civilian
Type	N.A.
Standard	FFP2
Certification	CE
Capacity	25 million per month
MOQ	500,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: N95 NIOSH RESPIRATOR Equivalent to KN95 / FFP2	
Application	Civilian / Medical
Type	N.A.
Standard	NIOSH-42C FR84
Certification	FDA & CE, CDC Appendix A
Capacity	25 million per month
MOQ	500,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: 3M N95 1860/8210 RESPIRATOR Equivalent to KN95 / FFP2	
Application	Civilian / Medical
Type	3M
Standard	NIOSH-42C FR84
Certification	FDA & CE, CDC Appendix A
Capacity	Upon request
MOQ	Upon request
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: DISPOSABLE GOWN (Level 1)	
	Disposable Gown (Level 1)
Application	Medical
Properties	Anti-droplet, anti-static, anti-microbial, anti-bacterial, anti-allergic
Standard	(Type 5/6) EN14605, AAMI PB70:2012
Certification	CE; NHS Approved
Capacity	1.5 million / week
MOQ	20,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: DISPOSABLE GOWNS (Level 2)	
Application	Medical
Type	ASTM Level 1 / Type II
Standard	Elasticated cuff, water repellent, can be used in ICU
Certification	FDA & CE
Capacity	150 million per month
MOQ	500,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: ISOLATION GOWN (Level 3)	
Application	Medical
Standard	Fabric: Biflexs 56 gr (30 gr PP Nonwoven + 2g hotmelt + 24gr PE film)
Certification	CE, AAMI, EN
Capacity	500k per week
MOQ	50,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request

Item: COVERALLS	
Application	Medical
Standard	EN13034, AAMI PB70:2012 / Liquid protection
Certification	CE, AAMI, EN
Capacity	500,000 per week
MOQ	20,000
Price FOB (Free On Board) Cost, Insurance, & Freight (CIF)/Sea Cost, Insurance, & Freight (CIF)/Air	Upon Request Upon Request Upon Request
